Allied Denture Clinic chose #1 Noodle

FROM THE EXECUTIVE DIRECTOR'S DESK

It's exciting to see more people out + about, and that more + more employers have taken necessary steps to bring people back to the office. As one DTNYXE accountant mentioned, **"We felt a duty to get people back to work safely not only for our internal culture, mentoring + teaching, but we also know our staff play a key role in supporting businesses throughout Downtown."** We couldn't have said it any better!

In celebration of staff-returns, we recently concluded **#IWorkDowntown** draws. Five lucky DTNYXE members received a gift card to a Downtown restaurant of their choosing for an **ultimate in-office takeout lunch party**. Congrats to Allied Denture Clinic, Big Brothers Big Sisters of Saskatoon, North Saskatchewan Independent Living Centre, SIIT + YMCA. Our restaurants thank you for participating!

With restrictions still in place limiting restaurants to six guests per table, get creative on supporting them with co-workers, employees, family + friends. Arrange fun events that see some staff go to one restaurant and others to an adjacent one, order takeout, book Christmas events early, etc. **Contact our district restaurants, hotels, and event venues to see how they can COVID-safely accommodate your group!**

SOMETHING ON THE ROADS

RAKING LEAVES

Have you seen Downtown Saskatoon's Clean Team in the process of the big leaf clean-up? By the time the snow flies, our staff will have **gathered + removed about 50,000 pounds of leaves from the district!**

Since our team started this work to the level it's now performed (about 4 years ago), we've seen a reduction in clogged catch basins, and reduces slippery sidewalk surfaces.

SOMETHING SAFE

DOWNTOWN SAFETY PILOT PROJECT

Downtown Saskatoon has long advocated for changes to how services are delivered in our community, and have continually placed this issue at the top of our advocacy efforts. We are pleased with the recent announcement that "Saskatoon Tribal Council [is] to be lead agency for downtown safety pilot project." We have been asked to sit on the task force to work towards a better future for those who need help and support, and that in turn will lead to increased community safety in our district and our community.

With their presence preventing unnecessary use of emergency services, their outreach collaborates with businesses, vulnerable people, and community agencies. The team operates Tuesday - Saturday and works closely with the Saskatoon Police Service. Give them a wave as they patrol the district!
