

DTNYXE + WingsOfYXE Scavenger Hunt flies throughout Downtown **A dad helps his daughter's crazy-huge idea fly!**

Downtown Saskatoon – In partnership with @WingsOfYXE, Downtown Saskatoon (the Business Improvement District) is launching a fun excuse to roam the district, in a Covid-safe way. Meander through with your family to find each of **13 scavenger hunt locations** – these are all public-space, outdoor locations, with great views of our district around them! @WingsOfYXE are so passionate about their wings - each one tells a story. Downtown Saskatoon is honoured to have them fly in our district.

As scavenger hunts go, you'll find the wings, let us know you found at least 4 of them, and be entered to win great prizes! Each of **twenty winners** will receive a prize pack stuffed with a set of mini-WingsOfYXE, swag from DTNYXE, Meewasin + Tourism Saskatoon, 2 passes to Remai Modern, and a \$25 gift card to Midtown + another Downtown retailer! That's **over \$150 worth** of fun in Downtown Saskatoon each! Thanks to our willing property + business owners, and our generous prize partners. **Enter to win ahead of September 30th**, but feel free to keep meandering forever afterward. **Clues + instructions** can be found on our website, on our Instagram Highlight button, at Midtown Guest Services, or on the wings, themselves.

Most remarkably, **the artist is simply seeking to spread happiness + hope...** Loch Willy @WingsOfYXE is a single dad, looking to connect with his teenage daughter. Miss K and her dad have had powerful conversations and moments of reflection as they complete nearly 20 sets of wings of varying themes, from Pride and Missing + Murdered Indigenous Women + Girls, to Wonder Woman and the Saskatoon Blades. Details posted soon about a meet-the-artist physically-distanced event!
