DOWNTOWN ALLEYWAYS + GARBAGE BINS

As a business owner and tenant in Downtown Saskatoon, you play an essential role in maintaining the cleanliness and attractiveness of our Downtown Saskatoon City Center as well. It's important to remember that **keeping the alleys and areas around the back of your business free from unruly, unmanaged garbage is a shared responsibility.**

Our **Clean Team's top priority** is keeping public-facing spaces clean, primarily sidewalks, curbs, and the first 15 feet of alleys. However, we need your help to ensure that the area further down the alley and behind your business remains tidy. **This means properly managing the garbage in your garbage bins and disposing of material properly (ex. grease, boilers, desk chairs, shelving units, boxes broken down, etc.).**

REMAI MODERN LUGO

In 2025, Saskatchewan's must-attend art party returns as LUGO Persona. On March 15, you are invited to experience a night that blurs the lines between fact and fiction, where guests can explore different sides of themselves through styling and wardrobe while participating in creative situations.

Throughout the evening, LUGO Persona will present large-scale performances, unexpected moments of artistry, tempting bites by some of Saskatoon's best restaurants, and remarkable spaces that transform the museum for one night only. Through participation, interaction and exchange, guests may find their expectations are disrupted, and the personas they encountered early in the evening shifting into something entirely different.
