DOWNTOWN HAPPENINGS

BROADWAY BRIDGE PROJECT UPDATES

Beginning in early May, the Broadway Bridge, including pedestrian walkways on each side, will be fully closed until fall 2025.

The upcoming construction project will include improvements to arches, railings and pathways, deck repairs, new barriers, and more. The project will also include a reconfiguring of the 4th Ave S and 19th St E intersection. This reconfiguration will create a more pedestrian-friendly intersection and see the removal of the current traffic island located in the middle area.

Bi-Weekly Project updates are available by request via constructionupdates@saskatoon.com

Full Closures During Construction are the Following.

- Broadway Bridge (including multi-use pathways on both sides)
- Broadway Avenue from Saskatchewan Crescent East to 20th Street East
- 19th Street East from 3rd Avenue South to Broadway Avenue
- 4th Avenue South from 19th Street East to 20th Street East
